DCID 1/16

SECOM-D-035

7 February 1983

MEMORANDUM FOR: Members, DCI Security Committee

FROM: [REDACTED]
Chairman

SUBJECT: Draft Revision of DCID 1/16

REFERENCE: My Memo SECOM-D-386 Dated 3 February 1983, Same Subject

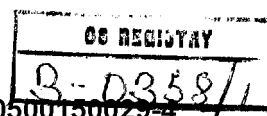

Reference forwarded for review and comment a draft revision of DCID 1/16. That draft will need to be changed to accord with format requirements for DCI security policy and with current terminology (e.g., SOICs instead of NFIB Members). As an illustration of the type of changes needed in those regards, attached is a copy of the final page proofs of the policy statement on computer security which members approved in December 1982 as an interim format and editorial revision of DCID 1/16.
